"Notice to Owner"
Section 7019 – Contractors License Law
 Under the Mechanics lien law, any contractor, subcontractor, laborer, material man or other person who helps to improve your property, and is not paid for his labor, services, equipments, or materials has a right to enforce his claim against your property. Under the law you may protect yourself against such claims by filing before commencing such work or improvements, an original contract for the work of improvement or a modification thereof, in the office of the county recorder of the county where the property is situated and requiring that a contractor's payment bond be recorded in such office. Said bond shall be in an amount not less than fifty percent of the contract price and shall, in addition to any conditions for the performance of the contract, be conditioned for the payment in full of the claims of all persons furnishing labor, services, equipments or materials for the work described in said contract.
